Transformação (Transformation). 2:12

I'll tell you how my life was
It's unbelievable
Everything that I thought was
Beer, girls and samba
One day in my way
I met Jesus
Now I don't drink, smoke or womanize
I belong to Jesus

I lived in a world of illusion
Had finest clothes, money in my pocket
And women at my beck and call
I had a smile on my face, a rhythm in my feet
that made me the center of my world
But it was a false joy,
All the time by the will of the prince of darkness

Today my mother is thankful and my friends ask,
"How could this be?
How could a lost young man get redeemed??"
